

F.A.P. piness is...

UL-certification and a preserved warranty.

Commercial customers can't afford a system failure. Give them F.A.P. motors to keep their equipment - and business - running smoothly.

FACTORY AUTHORIZED PARTS

Here are just a few reasons you and your customers will love F.A.P.:

For the home or business owner, Factory Authorized Parts:

- preserve the original manufacturer's warranty,
- preserve the original efficiency of the system,
- preserve engineered sound requirements (for applicable components such as motors), and
- meet rigorous factory run life design specifications.

For the dealer or technician, Factory Authorized Parts:

- provide an exact drop-in replacement,
- feature exact electrical connections and lead lengths,
- feature exact mounting characteristics, and
- preserve the UL and/or CSA approvals and listings for the parts in the original equipment.
