

The perfect fit is important.

Factory Authorized Parts make you look good.

Smart technicians choose FAP products when working with Carrier®, Bryant®, or Payne® equipment because they know that a perfect fit saves time and restores the equipment to its original performance.

FACTORY AUTHORIZED PARTS

For the home or business owner, Factory Authorized Parts:

- preserve the original manufacturer's warranty,
- preserve the original efficiency of the system,
- preserve engineered sound requirements (for applicable components such as motors), and
- meet rigorous factory run life design specifications.

For the dealer or technician, Factory Authorized Parts:

- provide an exact drop-in replacement,
- feature exact electrical connections and lead lengths,
- feature exact mounting characteristics, and
- preserve the UL and/or CSA approvals and listings for the parts in the original equipment.
