

The answer really isn't on top of the mountain...

Go to Totaline and be enlightened by F.A.P.

Factory Authorized Parts are exact drop-in replacements for Carrier®, Bryant® and Payne® equipment. That means you can install them quickly and they maintain the original efficiency of the system. Plus, when you buy F.A.P. at Totaline sales centers, you maintain the original warranty. Your customers will love you for it.

FACTORY AUTHORIZED PARTS

Installing Factory Authorized Parts is the right choice!

Totaline has done it again! We have made key cooling and now key heating Factory Authorized Parts more affordable.

We Encourage Professionalism
