

UL love 'em!

And so will your customers.

Enjoy the peace of mind that only UL and/or CSA approvals can bring with F.A.P. gas valves. They're always the perfect choice for a Carrier®, Bryant® or Payne® unit.

FACTORY AUTHORIZED PARTS

For the home or business owner, Factory Authorized Parts:

- preserve the original manufacturer's warranty,
- preserve the original efficiency of the system,
- preserve engineered sound requirements (for applicable components such as motors), and
- meet rigorous factory run life design specifications.

For the dealer or technician, Factory Authorized Parts:

- provide an exact drop-in replacement,
- feature exact electrical connections and lead lengths,
- feature exact mounting characteristics, and
- preserve the UL and/or CSA approvals and listings for the parts in the original equipment.
