

Think *inside* the box.

No need to get creative. Smart techs save time and hassle by using exact drop-in FAP replacement parts.

Chances are, customers who own Carrier®, Bryant®, or Payne® equipment selected these brands because they prefer quality, reliability and efficiency. These customers deserve a repair solution that restores their equipment to its original performance. FAP products help you provide exactly that solution!

**FACTORY
AUTHORIZED
PARTS**

For the home or business owner, Factory Authorized Parts:

- preserve the original manufacturer's warranty,
- preserve the original efficiency of the system,
- preserve engineered sound requirements (for applicable components such as motors), and
- meet rigorous factory run life design specifications.

For the dealer or technician, Factory Authorized Parts:

- provide an exact drop-in replacement,
- feature exact electrical connections and lead lengths,
- feature exact mounting characteristics, and
- preserve the UL and/or CSA approvals and listings for the parts in the original equipment.
