

Simplify.

YOUR CUSTOMERS WANT SIMPLE, AFFORDABLE PRODUCTS THAT WORK AND WILL LAST. You want products that are accessible, easy to install and service. That's where Payne® cooling products come in. Whether it's high-efficiency, packaged or ductless products on your list – look to Payne equipment to simplify your life.

Payne® cooling equipment is available at your local Totaline® Sales Centers, Carrier® and Bryant® Distributors. For a list of distributors near you go to www.totaline.com.

*When servicing Payne cooling and heating equipment always remember that **Factory Authorized Parts** are always the **Right Choice** for technicians and should be the **Only Choice** for the home / business owner.*
