

# An important part of any collection.

## Collect everything you need from your Totaline sales center.

No matter what you're working on today, the Totaline sales team has a solution. You can be confident that if you consult with a Totaline sales associate, they will make sure you have the parts, supplies, tools and accessories you need. Choose from **Factory Authorized Parts**, generic aftermarket parts, commodities and even the "little things" like duct tape and wasp spray that you need on every job.

# FREE!

**Collect everything you need from your Totaline sales center and get a FREE collector truck!††**

Get a FREE Totaline collector truck with online offer completion and proof of purchase (2008 invoice showing minimum purchase of \$150 worth of Totaline-branded products with at least one Totaline tool from a Totaline sales center. See site for details.) Go to [www.totaline.com](http://www.totaline.com), click the link to "Free Stuff" for full details and follow the instructions. \*While supplies last. One per person; certified HVAC/R professionals only.

— 20 Years —

†Not suitable for children under 14 years. May contain small parts.
