

We'll help you *break in* to IAQ...

...but only if you leave that ridiculous outfit in the truck.

Whether you're new to IAQ or are a seasoned pro, the CG1000 makes it easy to increase your profits. It can be installed in virtually any unit in just a few minutes without using tools and it only takes a 24-volt hookup. Start offering your customers cleaner indoor air today — *and* get paid to change their filters every three to four months!

Sheet metal snips

With the easy slide-in installation of the CG1000, HVAC/R techs don't need sheet metal snips like they used to. That's why we're giving them away! Get your FREE sheet metal snips with online offer completion and proof of purchase (2008 invoice showing purchase of one Totaline Star Series CG1000 electronic indoor air cleaner. See site for details.) Just log on to www.totaline.com, click on the link to "Free Stuff" for full details and follow the instructions. While supplies last.*
