Honeywell Dehumidifier

Dehumidification System

TrueDRY 65-pint dehumidifier

Features:

- **Dehumidification:** The highly efficient dehumidifier utilizes refrigeration and internal air circulation to cool the incoming air stream below its dew point. Its compact size makes the ideal for tightly fit applications. After helping to cool the incoming air, the processed air is reheated by passing through the condenser coil. The heat removed by the evaporator Coil is returned to the air stream, resulting in an overall temperature increase to the processed air. The is controlled by a variety of 24 volt remote wired controls.
- **Fresh Air Ventilation:** Optional fresh outdoor air may be ducted via a tee off the 8-in. round duct. This provides fresh air to dilute pollutants and maintain normal oxygen content in the air. The amount of fresh air ventilation can be regulated by a variety of dampers and controls.
- **Air Filtration:** Includes air filtration to keep the condenser coils clean. A MERV-11 media filter is standard.
- **Filter Efficiency:** Standard MERV-11 (65% ASHRAE Dust Spot)

Part Number	Amps	Color	Height (Inch)	Length (Inch)	Description
DH65DG115	5.5	White	11-1/2	21 without collars, 27 with collars	TrueDRY 65-Pint Dehumidifier with TrueIAQ Control
DH65A1015	5.5	White	11-1/2	21 without collars, 27 with collars	TrueDRY 65-Pint Dehumidifier with VisionPRO IAQ control

TrueDRY DH150 Whole House Dehumidifier

Features:

- **Energy efficient** - TrueDRY removes more moisture using less energy than any other equivalent model on the market.
- **Integrated indoor air quality** - On-board MERV 11 media filter and an integrated fresh air ventilation port provide the home with fresh outdoor air that is clean and dehumidified.
- **Easy maintenance** - Easy access service panels allow for quick replacement of the air filter and maintenance of internal parts
- **Filter Efficiency:** Standard MERV-11 (65% ASHRAE Dust Spot)

Part Number	Amps	Color	Height (Inch)	Length (Inch)	Description
DH150A100	6.9	White	22	37-1/2 without collars, 39-1/2 with collars	TrueDRY 150-Pint Dehumidifier with No Control Included
DH150A105	6.9	White	22	37-1/2 without collars, 39-1/2 with collars	TrueDRY 150-Pint Dehumidifier with VisionPRO IAQ Control

Honeywell Dehumidifier

Dehumidification System

TrueDRY DH90 Whole House Dehumidifier

Features:

- Energy efficient - True DRY removes more moisture using less energy than any other equivalent model on the market.
- Integrated indoor air quality - On-board MERV 11 media filter and an integrated fresh air ventilation port (DH90 model) provide the home with fresh outdoor air that is clean and dehumidified.
- Easy maintenance - Easy access service panels allow for quick replacement of the air filter and maintenance of internal parts
- Filter Efficiency: Standard MERV-11 (65% ASHRAE Dust Spot)

Part Number	Amps	Color	Height (Inch)	Length (Inch)	Description
DH90DG115	6.2	White	20-7/8	34-1/2 without collars, 40-1/2 with collars	TrueDRY 90-Pint Dehumidifier with TrueIAQ Control
DH90A1015	6.2	White	20-7/8	34-1/2 without collars, 40-1/2 with collars	TrueDRY 90-Pint Dehumidifier with VisionPRO IAQ Control
DH90A1007	6.2	White	20-7/8	34-1/2 without collars, 40-1/2 with collars	TrueDRY 90-Pint Dehumidifier with Control and Ventilation Control
